STUDENTS DEVELOPMENT CELL COMMITTEE

Objective

To increase the General Knowledge of the student in terms of the happenings in the outside world.

To make them aware of the current market need/requirement.

To enhance their skills required for higher education and research.

To bridge the gap between the theory and practical knowledge.

Roles and Responsibilities

Mentor should develop a strong connection between the students and the faculty.

Mentor should gain full confidence of students through their cooperative & kind behaviour so that students will freely discuss their problems & difficulties.

Mentor should call to respective parents for verification of address, phone no. and e-mail etc.

Mentor should take help of parents in analysing the student's academic history & understanding about self-evaluation.

During student's meeting, try to figure-out any of following problems / difficulties with the students.

Mentor is expected to inform to the subject teacher regarding student treatment.
